

LOW-MAINTENANCE DESIGN, HIGH-QUALITY RESULTS.

# SFW

belt-drive walk-behind

SFW belt-drive walk-behind

A fundamental element of any commercial cutter fleet, the belt-drive walk-behind continues to prove its worth through its simple design and efficient operation. In response to the requests of our hard-working customers, Scag has expanded on its proven and successful lineup with a lighter-weight, lower-maintenance walk-behind that will help boost your bottom line.

The Scag SFW is primarily designed for entry-level commercial use, but rest assured it is built to live up to Scag's solid reputation of dependable performance, year after year. We invite you to learn more about the productive and convenient features of the SFW, and how it can help maximize your profitability while delivering high-quality results.

## SFW belt-drive walk-behind

- Powerful and efficient 16hp Briggs & Stratton Vanguard V-Twin engine provides smooth, reliable power.
- Heavy-duty steel construction ensures long life.
- Large 6-gallon fuel tank features molded-in cup holder and large filler neck for operator convenience.
- 36" or 48" standard-style cutter deck.
- Floating cutter deck provides a beautiful quality-of-cut.
- Quick and easy cutting height changes from 1.5" to 4.5" in 1/4" increments. No tools needed.
- Sealed aluminum spindles with ball bearings deliver "maintenance-free", high-performance operation. 1/2" thick mounting flange.
- Strong, reliable Ogura PTO clutch engages and disengages the blades quickly and easily. Adjustable air-gap for long life.
- Four-speed Peerless transmission features nine-spline coupler shafts for maximum durability.
- Twin hand controls allow for smooth, precise responsiveness and require minimal effort to operate for reduced fatigue.
- Productive ground speeds up to 6 mph to get the job done fast.
- Lighter-weight design for easy handling when traversing curbs, etc.
- Low-maintenance mower design features reduced grease points to save you time in the shop.
- Covered by a strong 2-year commercial mower warranty. See the Scag Limited Warranty Statement for complete details.
